4. Request:

El Paso Land Development Code permits a small kennel in residential areas as long as special use approval is obtained. We request special use approval for our property so we may continue to keep our family pet dogs.

#### Justification:

I am taking care of my disabled mother, per my father's deathbed request, in our family home, her home of 50 years, and have the combined pets of our households. We are applying for a small kennel permit for our dogs. Again, these dogs are our pets, and the same that we have had for several years. We will not be breeding, adding to, or selling them. Furthermore, we will continue to keep them mainly inside, allowing them out for short potty-breaks and supervised play.

#### 5. Existing structures and facilities:

Our home (built in 1971), an above ground swimming pool, an aquaculture system, a shed, a coup, a partially fenced front yard, and a completely fenced backyard, with additional fencing inside the backyard

We have no new proposed facilities, structures, roads, etc.
