Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- **No information on what type of water and wastewater services are provided to the house. If central wastewater is provided, then the El Paso County Public Health (EPCPH) offers the 2 comments below. If the house is on an OWTS, then more information is necessary for review prior to making any comments.**
- **El Paso County Public Health recommends storing animal food in impervious containers with tight fitting lids to minimize rodent and insect attraction.**
- **Animal waste should be managed properly to help control nuisance odors, minimize flies/insects.**
