Nina,

I have been informed that MVEA has the utility easement in hand and will be recording it on the next trip to the County. With this I have been told we are comfortable with letting you know that MVEA has what is needs for easements and has no objection to the vacation of the utility easement along the north lot line of Lot 3B of Bent Grass East Commercial #2B.

If you have any questions please let me know. My phone number is listed below.

Thank you,
