**Description of the request:** *(attach additional sheets if necessary):*

Requesting a reduced rear setback of 23 feet in lieu of 25 as required per Code. This is in order to allow for the construction of a pergola. The purpose for this application is to request administrative relief from the rear lot setback for LOT 71 HOMESTEAD AT STERLING RANCH FIL NO 1, otherwise known as 9177 CUT BANK WAY COLORADO SPRINGS CO, 80908. The hardship is that the rear setback of 25' overly restricts the placement of a pergola over the existing patio due to overhang of same. This new setback allowance represents an approximate 8% or less encroachment caused by proposed pergola overhang, and allows for the structure to simply cover the existing patio with an industry standard / typical design of this type. This does not negatively impact any adjacent lots and allows for highest and best use of this lot's back yard.
