RE: DISH DNDEN00369A – CMRS Co-Location Agreement
 82 Widefield Blvd., Colorado Springs, CO 80911
 Project Narrative

Greetings Staff,

I'm submitting a CMRS Co-Location Agreement on behalf of DISH Wireless for a new equipment installation at an existing monopole wireless facility located at 82 Widefield Blvd. The installation consists of adding (3) new 6' tall antennas, (6) new RRUs and (1) new equipment cabinet. The new antennas will be mounted to the existing tower using new antenna mounts and the RRUs are mounted behind the antennas. The new antennas are mounted at the 70' level with a maximum height of 73' on the existing 87'6" tower. The antennas and RRU's are concealed from public view behind existing screened panels. DISH will also be adding a new equipment cabinet on the ground within the existing fenced compound. The new cabinet will be placed on a new 5'x7' platform within the exiting fenced compound.

If you have any questions or comments please contact me at [redacted] I appreciate your time and assistance in this matter.

Respectfully,

Darren Hunter
