Re: Water and Sewer Service for Estates at Rolling Hills Ranch Filing 2

Dear Mr. Guzman:

The Meridian Service Metropolitan District (MSMD) will provide water and sewer service to the Estates at Rolling Hills Ranch Filing 2, lots 1-98. This service will consist of a 1" copper or HDPE water service line, a 4" PVC (SDR 35) sewer service line and a 3" PVC (SDR35) under-drain service line to each of the above listed lots.

Based on the already approved projects within Meridian Ranch serviced by MSMD the current demand is 1,669 Ac-Ft per year. MSMD currently owns water rights in the amount of 5,956 Ac-Ft and based on the El Paso county 300-year rule of supply for development purposes the total amount of water available for development is 2,119 Ac-Ft. The Estates at Rolling Hills Ranch Filing 2 will add an additional demand of 32.5 Ac-Ft per year based on the Water Resource Report dated March 2020 and developed by the MSMD engineer. The additional 32.5 Ac-Ft demand results an overall demand of 1,701 Ac-Ft, which leaves a surplus of 418 Ac-Ft per year. See the attached worksheet for additional information.

The master plan for Meridian Ranch provides for 4,500 single family homes, schools, business and open space amounting to a total demand at build out to be approximately 1,970 Ac-Ft. The projected demand is below the El Paso County water supply rule for development and the total amount of water available to MSMD every year.

Please contact me either by email at d.pelser@meridianservice.org or by phone at 719-495-6567 if you should have questions or concerns.

Sincerely,

David A. Pelsler
General Manager

C: MSMD Board of Directors
Tom Kerby, District Engineer
