### **Murdock Auto Repair, VA-17-007**

**Please accept the following comments from El Paso County Public Health for the variance renewal referenced above:**

- **Water service for the existing operation is Cascade Water District.**
- **Wastewater service for the project is provided by an existing onsite wastewater treatment system (OWTS) that was installed in 1973 and serves an existing 3 bedroom house.**
- **The owner must comply with all federal, state, and local regulations regarding the proper storage and disposal/recycling of all automotive fluids and batteries.**
- **Vehicle painting is not allowed without full compliance with the emission regulations of the Colorado Department of Public Health and Environment, Air Pollution Control Division.**
- **The existing soil treatment area of the on-site wastewater treatment system and the alternate soil treatment area site must be located and protected from possible compaction by vehicle traffic or parking.**
