To Whom It May Concern,

My name is Ed Okvath and I am the General Manager here at Hotel Elegante in Colorado Springs. I am proud to operate the 2nd largest Hotel in the City with 500 Guest Rooms and 50,000 sq. ft of meeting space. We are aware of the request for a Special Use Permit for the proposed development plan at 2862 South Circle Drive for the Peak Gastroenterology Associates, PC.

As a leader in this community, I am privileged to have the opportunity to sit on the Board of Directors for several impactful organizations including The Pikes Peak Lodging Association, Humane Society of the Pikes Peak Region, Boys & Girls Club of the Pikes Peak Region, and The Colorado Springs Convention & Visitors Bureau. I might mention, not only am I a dedicated business professional within the local hospitality industry, I am also a 30+ year Colorado Springs native committed to the success of my home town.

As a voice for the above organizations, Hotel Elegante Conference & Event Center and her sister properties, and a community member who desires forward movement and success for the Pikes Peak Region, I implore you to support the Special Use Permit for the proposed development plan at 2862 South Circle Drive for the Peak Gastroenterology Associates, PC. The positive impact which this business would have on the Colorado Springs community should be considered in direct alignment with the approval of the requested Special Use Permit for this entity.

If you elect to contact me for further information or comments, I would be happy to speak with you.
Very Sincerely,

Ed Okvath
