**RE: Cathedral Rock Commons- Spanish Bit Drive  
Zone Change**

This submittal is for approval of a Zone Change for the property located on the southeast corner of Spanish Bit Drive and Struthers Road. This property has a tax number of 7136001045

The legal description for the property is a tract of land in the Northeast quarter of the Southwest quarter in Section 36 in Township 11 South in Range 67 West of the 6th P.M., El Paso County, Colorado described as follows:

Beginning at the Southwest corner of Lot 26, Chaparral Hills, as recorded in Plat Book T-2 at Page 2 in the records of El Paso County, Colorado, said point being on the South line of said Northeast quarter of the Southwest quarter; thence S 89 degrees 59 minutes 08 seconds W on said south line, 880.00 feet to a point of intersection with the Northeasterly line of a tract described by deed to the Department of Highways, State of Colorado, recorded August 12, 1963 in Book 1969 at Page 746 under Reception No. 301954 of the records of El Paso County, Colorado; thence N 24 degrees 59 minutes 35 seconds W, on said Northeasterly line, 61.00 feet to a point of intersection with the Southeasterly line of Spanish Bit Drive as platted in said Chaparral Hills; thence along the said Southeasterly line of Spanish Bit Drive for the following five courses, N 65 degrees 00 minutes 25 seconds E, 166.60 feet to a point of curve; thence on a curve to the left, through a central angle of 29 degrees 52 minutes 41 seconds, having a radius of 530.00 feet, an arc distance of 276.38 feet; thence N 35 degrees 07 minutes 44 seconds E, 167.67 feet to a point of curve; thence on a curve to the right through a central angle of 14 degrees 19 minutes 10 seconds, having a radius of 470.00 feet; an arc distance of 117.46 feet; thence N 49 degrees 26 minutes 54 seconds E, 227.19 feet to the most Westerly corner of said Lot 26, Chaparral Hills; thence S 16 degrees 21 minutes 15 seconds E, 700.71 feet to the Point of Beginning, except that portion conveyed by Special Warranty Deed recorded January 2, 2007 at Reception No. 207000186, El Paso County, Colorado. Containing 6.576 acres "net" (286,453 square feet), more or less.

We propose to remove the R-4, Planned Development zoning designation, an obsolete zoning. The R-4 zoning would have to be removed with any development for this property other than single family residential. We feel that this designation does not fit with the character of the area anymore. This area has become a higher density, more commercial area than it was when the R-4 zoning designation was assigned. We are requesting a zone change to RM-30, Residential Multi-Dwelling District. The RM-30 zoning district is a 30 dwelling unit per acre district primarily intended to accommodate moderate-density multi-dwelling development. This zone would allow for up to 197 multi-family units on the site. We are submitting a Rezone map to show what the development could potentially look like. This Rezone map plan shows 5 multi-family apartment units along with a daycare center in the middle. We anticipate having a playground included for the apartment residents. The apartment buildings include 24 units per building, this gives a total count of 120 units, a dwelling unit per acre number of 18.2.

We feel that this project is harmonious with adjacent land uses and will serve community with a useful amenity for the area. This project would provide a transition from the regional road and commercial area to the single family homes to the east. Donala water has been contacted and has indicated that they can provide adequate water for the proposed project. The landscaping provided shall be placed along all of the required setbacks to help screen the property from the adjacent properties. This project is a reflection of what the area is transitioning to in the future as Struthers Road will continue to develop into a regional connection from Baptist Road to Northgate Boulevard. This development should be anticipated to commence in 2022.

## Letter of Intent

A Letter of Intent shall be submitted with all zoning, rezoning, special use, variance of use, nonconforming use, sketch plan, preliminary plan, final plat, minor subdivision, vacations, Board of Adjustment petitions, etc. Where applicable, please provide the following appropriate information to serve as a cover page for the Letter of Intent.

For all Letters of Intent, the following information is required:

- X 1. Owner/applicant and consultant, including addresses and telephone numbers.
- X 2. Site location, size and zoning.
- X 3. Request and justification.
- X 4. Existing and proposed facilities, structures, roads, etc.
- N/A 5. Waiver requests (if applicable) and justification.

The following information, when applicable, shall be submitted for zoning and rezoning requests:

- X 6. The purpose and need for the change in zone classification.
- X 7. The total number of acres in the requested area.
- X 8. The total number of residential units and densities for each dwelling unit type.
- N/A 9. The number of industrial or commercial sites proposed.
- N/A 10. Approximate floor area ratio of industrial and/or commercial uses.
- N/A 11. The number of mobile home units and densities.
- N/A 12. Typical lot sizes: length and width.
- X 13. Type of proposed recreational facilities.
- N/A 14. If phased construction is proposed, how it will be phased.
- X 15. Anticipated schedule of development.
- X 16. How water and sewer will be provided.
- X 17. Proposed uses, relationship between uses and densities.
- X 18. Areas of required landscaping.
- X 19. Proposed access locations.
- N/A 20. Approximate acres and percent of land to be set aside as open space, not to include parking, drive, and access roads.
