---	---	--

## Text Box (2)

	<b>Subject:</b> Text Box <b>Page Label:</b> 28 <b>Author:</b> lpackman <b>Date:</b> 5/18/2022 2:06:16 PM <b>Status:</b> <b>Color:</b>  <b>Layer:</b> <b>Space:</b>	Unresolved. Please identify what the required lengths for each section are per the ECM, and include what is out in the field. How does the existing configuration meet the criteria? Per ECM appendix B.8, ECM criteria should be analyzed and determine whether it will be met.
	<b>Subject:</b> Text Box <b>Page Label:</b> 29 <b>Author:</b> lpackman <b>Date:</b> 5/18/2022 2:09:26 PM <b>Status:</b> <b>Color:</b>  <b>Layer:</b> <b>Space:</b>	Unresolved. Please revise report contents to include a sight distance exhibit showing sight distance lines along Struthers Rd. Some opposition has expressed concerns about potential lack of sight distance for vehicles turning onto Struthers Rd. If curious where to find opposition letters please find them on the project page in EDARP. See ECM appendix B for criteria regarding sight distance for access points.
