Hello Ryan,

I am a resident of the Chapparal Hills neighborhood off of Struthers Rd and Spanish Bit. I have caught wind about the proposed rezoning for the parcel of land across from the Big R. I am writing to put in my two cents about this. I feel it is extremely inappropriate for an apartment complex to be built right there. This neighborhood was originally an equine neighborhood, and quite a few residents still do have horses. The noise and light pollution will change the whole feel of the neighborhood. In my opinion it is not in the neighborhood's best interest to have an apartment complex right up against the 5 acre lots. If it has to be rezoned, I feel office buildings or doctor offices would be more appropriate for the area.

I look forward to attending the planning commission meeting.

Thank you
Lacey Giaffoglione
