DESCRIPTION OF THE REQUEST: (attach additional sheets if necessary):

David Morales of 7093 Boreal Dr. hired 2nd Chance Homes LLC to build a 30x12 covered patio in his backyard. After the building department had approved the plans I went to zoning and it was discovered that the proposed patio cover would infringe on the rear setback (25ft) by 4 feet 7 inches. We request that we be granted relief to install the patio cover as designed and approved by the Regional Building Department. The structure would sit on the current concrete patio which is also 30x12.
