RE: Treasured Acres

Dear Ryan Howser:

I would like to request a Determination of non- conformity for the property at 11750 Green Acres Lane.

A couple of outbuildings have existed for many years including a couple of sheds and a chicken coop.

It's my understanding that the dwelling has existed for many years along with outbuildings for rural agricultural uses.

Thanks

Joseph Alessi PLS, On behalf of Alessi and Associates, Inc.
