Please accept the following comments from El Paso County Public Health regarding the proposed Christmas Holiday Temporary Use:

- **The COVID-19 group gathering requirements change frequently, not only locally, but nationally. Please be aware that an approval now does not guarantee approval in November and December. The owner is responsible for compliance with all group gathering requirements in effect at the time of the event.**
- **The concessions planned require input from El Paso County Public Health and may require changes on how food and beverages are served/handled. Call 719-578-3199 and select option 3 for Environmental Health and ask to speak to the Food Program Manager.**
- **The use of three (3) portable toilets with weekly servicing is acceptable. Recommend using a couple portable handsinks in addition to hand sanitizer.**
