This is to inform you that the above-reference request for approval of final plat was heard and approved by the El Paso County Planning Commission on July 17, 2018, at which time a recommendation for approval was made to approve a final plat to create six (6) single-family residential lots and 2.89 acres of right-of-way. The 33.12 acre parcel is zoned RR-5 (Residential Rural) and is located north of Highway 94, south of Blaney Road, east of Meridian Road, west of Hoofbeat Road and is within Section 31, Township 13 South, Range 64 West of the 6th Principal Meridian. The parcel is within the boundaries of the Highway 94 Comprehensive Plan (2003) planning area. (Parcel Nos. 43310-00-024 and 43310-00-006)

This recommendation for approval is subject to the following:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.

Colorado statute requires that at the time of the approval of platting, the subdivider provide the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development
