- ATTN: Brighton Partners 309 East Paces Ferry Road NE Suite 850 Atlanta, GA 30305
- RE: Zoning Verification Letter for 975 Ford St., Colorado Springs, CO 80915
- File: ADM-24-007
- PID: 5407410004

A request has been made for a zoning verification letter for 975 Ford St. at PID 5407410004. Brighton Partners are purchasing equity in the current owner of the property. Please note that there will be no transfer of ownership of the property itself.

## Current Zoning

The 1.81-acre property in question exists within the Planned Development Obsolete (R-4) zoning district. Section 4.4.4 of the El Paso County Land Development Code (As Amended) describes the Planned Development Obsolete zoning district as follows:

"The R-4 district is established to provide more flexibility and latitude of design; to provide for a greater variety of principal and accessory uses in the development of land; to address the advantages resultant from technological change; and, to encourage initiative and creative development of parks, recreation areas, and open space."

Section 4.4.4. of the El Paso County Land Development Code outlines the allowed uses and development standards for the R-4 zoning district as follows:

**Allowed Uses.** The uses allowed in the R-4 district are those uses listed on the approved development plan on file with the PCD, and those uses identified within the BoCC resolutions adopted in conjunction with R-4 zoning approval.

Meggan Herington, AICP, Executive Director El Paso County Planning & Community Development O: 719-520-6300 MegganHerington@elpasoco.com 2880 International Circle, Suite 110 Colorado Springs, CO 80910

**Board of County Commissioners** Holly Williams, District 1 Carrie Geitner, District 2 Stan VanderWerf, District 3 Longinos Gonzalez, Jr., District 4 Cami Bremer, District 5

**Use and Dimensional Standards.** All uses and development in the R-4 district are subject to the use and dimensional standards in Chapter 5 unless different standards are identified on the approved development plan on file with the PCD. The approved development plan shall control where a conflict exists between the standards in Chapter 5 and those on the approved development plan.

**General Development Standards.** All uses and development in the R-4 district are subject to the general development standards in Chapter 6 unless different standards are identified on the approved development plan on file with the PCD. The approved development plan shall control where a conflict exists between the standards in Chapter 5 and those on the approved development plan.

*Maintenance Plan.* A maintenance plan conforming to the requirements of Chapter 6 shall be approved by the PCD Director prior to the issuance of any building permit.

*Site Development Plan.* Site development plan approval is required for all development, except single family and 2-family residential uses, prior to authorization of a building permit.

**Platting.** No building permits shall be granted on any portion of property which is currently zoned R-4 until the property is platted in accordance with this Code, unless otherwise exempted by Statute.

If a property, at the time of its creation, was established in accordance with all applicable subdivision regulations, platting of the property is not required for issuance of a building permit. It shall be the responsibility of the person seeking a building permit to submit the necessary documentation to the PCD to substantiate the legal creation of the property.

**Discontinuance of Zoning or Rezoning.** No land shall be zoned or rezoned to R-4 on or subsequent to May 1, 1991. All land zoned R-4 on or before May 1, 1991, shall remain zoned R-4 and shall be subject to all the provisions of the R-4 district until such time as the land is either rezoned or annexed.

**No Development Except In Accordance with Approved Development Plan.** Any land that is zoned R-4 is required to have an approved development plan on file with the PCD. All development is subject to the requirements of the approved development plan and those requirements identified within the BoCC resolutions adopted in conjunction with R-4 approval. In the event that an approved development plan is not on file with the PCD as of the effective date of this Code, development shall not occur on the land unless the land is rezoned.

## **Obsolete Zoning District**

Section 4.1.4. of the El Paso County Land Development Code describes Obsolete Zoning Districts as follows:

"The R-4 zoning district has been declared to be obsolete pursuant to BoCC Resolution No. 91-59, Land Use 10 as replaced by Resolution 92-46, Land Use-9. No land will be rezoned to an Obsolete Zoning district. The BoCC may modify the allowed uses, special uses, and development standards within these zoning districts.

Landowners are encouraged to rezone land from an Obsolete Zoning district classification. The BoCC may offer incentives, such as modified application fees in order to accomplish this goal."

## Historic Approved Development Plan

The Approved Development Plan for this parcel was created in 1984 as the Master Plan for The Loft Subdivision. Approved uses for the property are discussed in the Planning Commission Resolution No. MP-84-5 (attached) and include commercial office space, small business, and retail shops. The attached document shows a side setback on the East side of 50 feet and a Front setback on the North side of 25 feet. At the time of this resolution, the maximum height requirement in the R-4 zone was 40 feet as noted in the Land Development Code that was relevant at the time of this Approved Development Plans' creation.

## <u>Summary</u>

Due to the outdated, ambiguous, and "obsolete" nature of the development standards for the R-4 zone, Staff recommends that the parcel in question be re-zoned to a more current zoning district in order to have a clearer understanding of what is or is not allowed.

If you have any questions or concerns regarding this determination, please contact myself or Lacey Dean, Planner I, at (719) 520-7943 or <u>laceydean2@elpasoco.com</u>

Sincerely,

Meggan Herington, AICP, Executive Director El Paso County Planning and Community Development Department
