WHEREAS, when approving a Preliminary Plan, the Planning Commission and Board of County Commissioners shall find that the request meets the criteria for approval outlined in Section 7.2.1.D.2.e of the Land Development Code ("Code") (as amended):

1. The proposed Subdivision is in general conformance with the goals, objectives, and policies of the Master Plan;
2. The Subdivision is consistent with the purposes of the Code;
3. The Subdivision is in conformance with the subdivision design standards and any approved Sketch Plan;
4. A sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code (this finding may not be deferred to Final Plat if the applicant intends to seek Administrative Final Plat approval);

10. The proposed Subdivision has established an adequate level of compatibility by (1) incorporating natural physical features into the design and providing sufficient open spaces considering the type and intensity of the Subdivision; (2) incorporating site planning techniques to foster the implementation of the County's plans, and encourage a land use pattern to support a balanced transportation system, including auto, bike, and pedestrian

traffic, public or mass transit if appropriate, and the cost effective delivery of other services consistent with adopted plans, policies and regulations of the County; (3) incorporating physical design features in the Subdivision to provide a transition between the Subdivision and adjacent land uses; (4) incorporating identified environmentally sensitive areas, including but not limited to, wetlands and wildlife corridors, into the design; and (5) incorporating public facilities or infrastructure, or provisions therefore, reasonably related to the proposed Subdivision so the proposed Subdivision will not negatively impact the levels of service of County services and facilities;

NOW, THEREFORE, BE IT RESOLVED, the El Paso County Planning Commission recommends that the petition of Colorado Springs Equities, LLC for approval of a Preliminary Plan for the Crossroads North Subdivision for property located in the unincorporated area of El Paso County be approved by the Board of County Commissioners with the following conditions and notations:

CONDITIONS

1. Applicable traffic, drainage and bridge fees shall be paid with each Final Plat.
2. Applicable school and park fees shall be paid with each Final Plat.
3. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
