LETTER OF INTENT

El Paso County Development Department

2880 International Circle, Suite 110

Colorado Springs, CO 80910

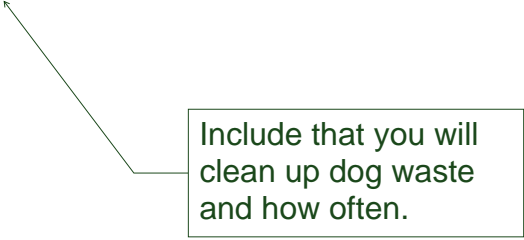

We are seeking a Special Use Permit which would allow for more than 4 personally owned dogs. We currently own 6 dogs that we are competing with in many different AKC events including obedience, agility and conformation. Some of them are also certified therapy dogs, that do hospital visits. We average 1-2 litters a year. Our dogs are not kennel dogs or outside dogs, they are family members and live in our house, and heated attached garage. We have 3 large turn out pens that are well shaded with trees, and dogs are only outside when we are home.

We have lived here for 25 years, and have always had this many dogs, so nothing will change. We don't do any boarding, or training of outside dogs at all and this is for our personal dogs only. Our dogs are our family, and I know many of you see us walking them every evening.

We are seeking permission to have up to 10 dogs on the premises. Thank you for your consideration.

Sincerely,

Joe and Tina Crumpler

Include that you will
clean up dog waste
and how often.
