Sunset Village, Filing 4, Road Maintenance, Phase 1, CDR-21-8

Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- The proposed 0.21-acre, residential road repair site is within the Cherokee Metropolitan District.
- Earthmoving activity more than one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.
- The water quality basins must have mosquito control responsibilities included as a part of the construction design and maintenance plan to help control mosquito breeding habitat and minimize the potential for West Nile Virus.
