Agenda Item Summary Form

Agenda Item Title: FourSquare at Sterling Ranch East PUD Development Plan and Preliminary Plan

Agenda Date: August 10, 2022

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

Request by N.E.S., Inc. on behalf of Classic SRJ Land, LLC, for approval of FourSquare at Sterling Ranch East PUD Development Plan and Preliminary Plan, which includes 158 small single-family residential lots on 36.76 acres, laid out in a dense “four square” urban arrangement. The property is currently zoned RR-5 with a concurrent rezone to Planned Unit Development (PUD) and is located east of Vollmer Road and east of Sand Creek, near the intersection of Sterling Ranch Road and the future extension of Briargate Parkway.

The 2013 and 2022 update of the El Paso County Parks Master Plan shows no parks, trails, or open space impacted by this project. The Sand Creek Regional Trail is located approximately 0.25 mile west of the property on the western banks of Sand Creek, while the proposed Briargate Parkway Bicycle Route is located immediate south and adjacent the project site along an east-west alignment. A dedicated public right-of-way already exists along the aforementioned bicycle route, so no easement requests are necessary at that location; however, the applicant is advised that multi-modal transportation options will be developed within the rights-of-way in the future.

The 2022 El Paso County Parks Master Plan includes an update to the Candidate Open Space Areas, utilizing a weighted overlay of numerous natural and man-made attributes which contribute to strong candidate open space areas. The FourSquare at Sterling Ranch East PUD Development Plan and Preliminary Plan falls completely within the bounds of the updated Black Forest South Candidate Open Space Area. Open space attribute values here include the Sand Creek corridor, surface water and wetland areas, floodplains, moderate wildlife impacts, and open high prairie grasslands along the southern boundary of Black Forest. The project site is located to the east of Sand Creek, its floodplains, and wetlands and will have very limited impacts on the creek corridor or surrounding open space attributes.

The current application shows 16.59 acres, or 45%, of open space, dedicated to public and private open space, passive use parks, internal trail corridors, landscaping tracts, and drainage infrastructure. The project plan includes an interconnected trail and sidewalk system that affords the residents easy access to the sidewalk system along Briargate Parkway and in turn, the surrounding neighborhood, proposed school sites, neighborhood and community parks, as well as the nearby Sand Creek Regional Trail. The letter of intent states the following in regard to parks, trails, and open spaces:

- *“The Sterling Ranch East PUD Preliminary Plan No. 2 (FourSquare at Sterling Ranch East) includes 16.59 acres of parks and open space which are served by an interconnected system of trails to create a recreation-oriented community. This system of parks, open spaces and trails is intended to provide a comprehensive off-street pedestrian circulation system to supplement the standard sidewalks along streets. Parks have been located so that residents have a ten-minute walk or less to these facilities. These parks and trails will be owned and maintained by the Sterling Ranch Metropolitan District.”*
- *“5-foot sidewalks are included throughout the project and connect to the proposed Sterling Ranch community trails and the Sand Creek Regional Trail, which provide opportunities for pedestrian and bicycle transportation.”*

Staff is pleased the PUD Development Plan and Preliminary Plan contains a large percentage of passive-use park and open space areas, however, staff encourages the applicant to plan and develop active-use amenities, which could include playgrounds, picnic tables and pavilions, and perhaps exercise areas. These types of amenities would allow for a wide variety of recreational choices to users of all age groups and abilities. Lastly, staff recommends fees in lieu of land dedication for regional and urban park purposes, to be paid upon the recording of the forthcoming final plats.

Recommended Motion (PUD Development Plan and Preliminary Plan):

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving FourSquare at Sterling Ranch East PUD Development Plan and Preliminary Plan: (1) recommend the applicant explore a wide variety of active-use park and open space amenities to strengthen recreational opportunities for residents of all ages and abilities; (2) fees in lieu of land dedication for regional park purposes in the amount of \$72,680 and urban park purposes in the amount of \$45,820 will be required at time of the recording of the forthcoming final plat(s).
