### **Dail Landscaping, PPR-17-020**

**Please accept the following comments from El Paso County Public Health regarding the project referenced above:**

- **The only onsite wastewater treatment system (OWTS) on the property was installed to serve the 3-bedroom house built in1999.**
- **There was a Transfer of Title Inspection of the OWTS completed in 2015 that showed no deficiencies with the system performance.**
- **If grading of the lot for the proposed home occupation exceeds 1 acre, then a Construction Activity Permit is required. Go to <http://www.elpasocountyhealth.org/service/air-quality> for information.**
