CONTAINING A CALCULATED AREA OF 1,412,489 SQUARE FEET OR 32.4263 ACRES.

GENERAL NOTES

- Private drives will be asphalt millings
- This site is not within a designated F.E.M.A. Floodplain as determined by the flood insurance rate map, community panel number 08041C0533G, effective December 7, 2018.
- The parties responsible for this plan have familiarized themselves with all current accessibility criteria and specifications and the proposed plan reflects all site elements required by the applicable ADA design standards and guidelines as published by the United States Department of Justice. Approval of this plan by El Paso County does not assure compliance with the ADA or any regulations or guidelines enacted or promulgated under or with respect to such laws.
- The avigation easement dedicated herein for public aviation purposes, shall be considered a public easement subject to those terms and conditions as specified on the instrument recorded at reception no. 207095753 of the records of El Paso County, Colorado. All other easements or interests of record affecting any of the platted property depicted hereon shall not be affected and shall remain in full force and effect.
- Future development on Lots 1 & 2 will trigger the landscaping buffer requirements.
- Future development on Lots 1 & 2 will trigger the installation of the 5' concrete sidewalk along the Sterling Ranch Road extension.

Add note

The subdivider(s) agree on behalf of him/herself and any developer of builder successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documents on all sales documents and in plat notes to ensure that a title search would find the fee obligation before sale of the property.
