## Commitment Letter

Dear Mr. Hassinger:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Woodmoor Water & Sanitation District**

**Description:** Woodmoor Water & Sanitation District is proposing new construction at their location at 1765 Deer Creek Road in Monument, CO. The project will require a minor lot line adjustment between 1765 Deer Creek Road and 1776 Woodmoor Drive to accommodate the construction design. These parcels are in Section 11, Township 11 South, Range 67 West.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA will work with Woodmoor Water & Sanitation if additional services are needed along with the needed easements. There are existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant

This Association is an equal opportunity provider and employer.
