

## **Fire Protection Report**

Edgewood Subdivision Filing No. 1

Edgewood Subdivision Filing No. 1 is located in the Black Forest Fire Rescue Protection District (BFFRPD) service area. The District currently serves the existing residence on the property at 8190 Poco Road and has committed to serve the proposed subdivision. The District also participates in mutual aid response with surrounding fire districts and fire departments.

BFFRPD has two full service/full time manned fire stations. The closest station to Edgewood Subdivision Subdivision Filing No. 1 is Station 1, located at 11445 Teachout Road, which is 2.5 miles from the site via established public roads. Response times are difficult to predict due to traffic conditions, weather conditions and other factors. However, in favorable conditions, response time to the site is estimated to be 6 minutes. The department has four fire engines, two water tender trucks, one brush truck, two ambulances and various command and utility vehicles.

BFFRPD carries Class 5 ISO rating for all properties that are not located within 1000 feet of a fire hydrant, but within 5 miles of a fire station. There are no fire hydrants in the vicinity of Edgewood Subdivision Subdivision Filing No. 1 and Station 1 is located 2.5 miles from the site. Therefore, the ISO rating for this property is 5.

The site of Edgewood Subdivision Subdivision Filing No. 1 contains few trees and does not exhibit dense forest. The nearest heavily treed area is approximately 750 feet north of the site's north boundary. No particular wildfire fire mitigation is possible or required for the site.
