Subject: Hillside at Lorson Ranch Filing 1 Final Plat (SF231)

Hello Kari,

The Community Services Department has reviewed Hillside at Lorson Ranch Filing No. 1 Final Plat and has the following preliminary comments of behalf of El Paso County Parks. This application will be presented to the Park Advisory Board on February 8, 2023, and its recommendation will be provided after the meeting.

Hillside at Lorson Ranch Filing No. 1 is located in the southeastern corner of the larger Lorson Ranch Development. The site consists of 128.33 acres and includes 489 single-family residential lots on 79.06 acres, open space tracts totaling 25.07 acres, and public rights-of-way totaling 24.21 acres. This site is currently zoned PUD (Planned Unit Development). The configuration of Filing No. 1 is in general agreement with Hillside at Lorson Ranch PUDSP (PCD File No. PUDSP-22-001) which was approved by the Planning Commission and BoCC and recorded October 5, 2022, and the Lorson Ranch Minor Sketch Plan Amendment which was approved on April 21, 2016.

Open Space dedications total 25.07 acres, or 19.53% of the project site which meets the minimum 10% dedication for PUD zoning. This includes several tracts along the powerline easement, eastern and southern edges of the site, and several internal tracts within the site. Staff notes the applicant is also showing two proposed pocket parks within Tract J. Park staff appreciates the inclusion of the park site but notes that any credits against urban park fees must be memorialized through a Park Lands Agreement.

The El Paso County Parks Master Plan shows no County regional trails within Hillside at Lorson Ranch project site. The Jimmy Camp Creek Regional Trail is over one mile west of the project area. The Fontaine Blvd Bicycle

Route is north of the site and will be accommodated with the right-of-way for Fontaine Boulevard. Staff notes that a non-county trail is proposed along the overhead power line corridor within Tracts A, B, and E which connects to the larger trail network within Lorson Ranch.

Parks staff recommends fees in lieu of land for regional park purposes in the amount of \$224,940 and urban park fees in the amount of \$141,810 will be required upon recording of the Filing No. 1. Final Plat. A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording of the Filing No. 1. Final Plat.

Please let me know if you have any questions or concerns.

Sincerely,

Jason Meyer
