Loren Moreland
Secretary, Sterling Ranch Metropolitan District No. 3
2138 Flying Horse Club Drive
Colorado Springs, CO 80921

RE: Homestead at Sterling Ranch Filing 1 – Public Sanitary Sewer

The District's sanitary sewer facilities for Homestead at Sterling Ranch Filing 1 consist of the following facilities:

- 2782 LF of 8" Sanitary Main Pipe
- 12 EA Sanitary Manholes
- 72 EA Service Connections

The above listed sanitary sewer system was recently installed by SR Land, LLC and per the approved construction drawings, the sanitary sewer system connects to the existing 12" sanitary sewer main in Dines Boulevard.

Based upon this information, and information gathered during periodic site visits to the project, JR Engineering is of the opinion that the sanitary sewer facilities have been constructed in general compliance with the approved design plans and specifications as filed with the County.

On behalf of SR Land, LLC, JR Engineering hereby probatory inspection of these facilities by Sterling Ranch Metropolitan District No. 3 so that the warranty period can begin.

Statement Of Engineer In Responsible Charge:

To the best of my knowledge, information and belief, the referenced District sanitary sewer facilities have been constructed in general compliance with the approved design plans and specifications as filed with the District and El Paso County.

Respectfully submitted,

JR ENGINEERING, LLC
