Dear Mr. Kendall:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Graham Administrative Relief

Project Number: ADR-17-017

Description: Due to an El Paso County court order to force sale a portion of his parcel, Mr. Graham's current parcel is less than 35 acres as required by the County for zoning A-35 (Agricultural). The Administrative Relief is required by the County prior to construction of a pole building. This parcel is located at 11450 Guthrie Road.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA. MVEA has no objections to the Administrative Relief for 11450 Guthrie Road.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,
