SUBJECT: Engineering Review Comment
Mountain View Electric Association Inc. (The Association)

To El Paso County:

The Association has these comments about the following:

Project Name: Pike Solar Project

Project Number: AASI212

Description: Request to develop 175 MW solar facility. The site will have a project footprint of approximately 1,350 acres.

A portion of the project is within the Association's certificated service area. The Association will serve anything needing electric service according to our Line Extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under the Association's Line Extension Policy. Information concerning these requirements can be obtained by contacting the Engineering Department. Additional easements may be required in order to serve.

The Association has existing facilities near and within this parcel of land. If there is any damage, removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact me at (719) 494-2636. Our office hours are 7:00 a.m. to 5:30 p.m., Monday – Thursday.

Sincerely,

Gina Perry
