2420 Wayland Place Development, AL-19-007

Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- The 2.77-acre development site is within the Cherokee Metropolitan District, and water and wastewater service connection is required if services are needed.
- It appears earthmoving will be less than 1-acre, but if earthmoving activity is in excess of one acre, then go to <http://www.elpasocountyhealth.org/service/air-quality> for more information.
