Add notes

The subdivider agrees on behalf of him/herself and any developer or builder successors and assigns that the subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution NO. 19-471), or any amendments thereto, at or prior to the time of building permit submittal. The fee obligation. If not paid at final recording shall be documents on all sales documents and on plat notes ensure that a title search would find the fee obligation before sale of the property.

All property owners are responsible for maintaining proper storm water drainage in and through their property. Public drainage easements as specifically noted on the plat shall be maintained by the individual lot owners unless otherwise indicated. Structures, fences, materials or landscaping that could impede the flow of runoff shall not be placed in drainage easements.

Unless otherwise indicated, all side, front, and rear lot lines are hereby platted on either side with a 10 foot public utility and drainage easement unless otherwise indicated. All exterior subdivision boundaries are hereby platted with a 20 foot public utility and drainage easement. The sole responsibility for maintenance of these easements is hereby vested with the individual property owners.

No driveway shall be established unless an access permit has been granted by El Paso County.
