Hi Kylie,

We own two properties, one on each side of the private Walker Rd. We have been made aware of Twelve Stones Classical Schools construction plans at 3980 Walker Rd. We are very concerned about the potential high volume of traffic on the private road. As you are aware the county does not maintain this road, the neighborhood does. We are also extremely concerned with emergency situations, for instance, a wildfire. It would be challenging for our current families/residents and our animals to evacuate in a timely manner, let alone adding a school full of children. We have reviewed all of the documents related to this project and hope you will be fair and take all of our neighborhood's concerns into consideration.

Thank you,
Beth & Tony Feltman
