Subject: Water Service to Grazing Yak Solar Project

Dear Sir or Madam,

The Grazing Yak Solar, LLC will be purchasing four million gallons within the KUNAU DRILLING decreed water service area. The Name of Water Company, a consumer owned utility, under public water system ID #121345 will deliver water to the solar project according to the By-Laws, Rules and Regulations of KUNAU DRILLING, as allowed by the State Water Engineer. KUNAU DRILLING's water rights are understood to be "renewable" / non-renewable/surface water resources under the El Paso County 300-year water supply rules. Water is pumped from the Laramie Fox Hill (NAME OF WATER SOURCE) by wells and transported to the Grazing Yak Solar site according to Colorado standards. Water will be driven to the site for use during construction.

Sincerely,

Tim Kunau
