Re: Water and Sewer Service for the Sanctuary Filing 1 at Meridian Ranch

Dear Mr. Guzman:

The Meridian Service Metropolitan District (MSMD) will provide water and sewer service to the Sanctuary Filing 1 at Meridian Ranch, lots 1-343. This service will consist of a 3/4" copper or HDPE water service line, a 4" SCH 40 sewer service line and a 3" PVC (SDR35) under-drain service line to each of the above listed lots.

Based on the already approved projects within Meridian Ranch serviced by MSMD the current demand is 1,670 Ac-Ft per year. MSMD currently owns water rights in the amount of 5,979 Ac-Ft and based on the El Paso County 300-year rule of supply for development purposes the total amount of water available for development is 2,088 Ac-Ft. The Sanctuary Filing 1 at Meridian Ranch will add an additional demand of 107 Ac-Ft per year based on the Water Resource Report dated May 2022 and developed by the MSMD engineer. The additional 107 Ac-Ft demand results an overall demand of 1,777 Ac-Ft, which leaves a surplus of 311 Ac-Ft per year. See the attached worksheet for additional information.

The master plan for Meridian Ranch provides for 5,000 single family homes, schools, business and open space amounting to a total demand at build out to be approximately 2,054 Ac-Ft. The projected demand is below the El Paso County water supply rule for development and the total amount of water available to MSMD every year.

Please contact me either by email at j.nikkel@meridianservice.org or by phone at 719-495-6567 if you should have questions or concerns.

Sincerely,

Jim Nikkel
General Manager

C: MSMD Board of Directors
Tom Kerby, District Engineer
