NOTES:

- 1.
2. All structural foundations shall be located and designed by a Professional Engineer, currently registered in the State of Colorado.
3. Individual lot purchasers are responsible for constructing driveways, including necessary drainage culverts from the Private Access Easement (Shared Driveway) per Land Development Code Section 6.3.3.C.2 and 6.3.3.C.3 where applicable. Due to their length, some of the driveways will need to be specifically approved by the Black Forest Fire Protection District.
4. No driveway shall be established unless an access permit has been granted by El Paso County. Driveway culverts within the indicated Private Access Easement must be installed prior to building permit authorization for all lots within the subdivision.
5. Each individual property owner is responsible for the construction and operation of a non-evaporative wastewater disposal system approved by the El Paso County Health Department. The Health Department may require a specially designed, or "engineered", system prior to permit approval. Engineered systems may cost more to design, install and maintain than systems which are not engineered.
6. Each individual property owner is responsible for the maintenance of existing and/or construction and operation of a well as permitted by the Colorado Division of Water Resources.
7. Fire protection to be provided by the BLACK FOREST FIRE PROTECTION DISTRICT.
8. Public and/or Private Utility Easements are as shown hereon. All exterior subdivision boundaries shall have a twenty foot Public Utility and Drainage Easement. The sole responsibility for maintenance of these easements is hereby vested with the individual property owners.
9. All property owners are responsible for maintaining proper storm water drainage in and through their property. Any public drainage easements as specifically noted on the plat shall be maintained by the individual lot owners unless otherwise indicated. Structures, fences, materials or landscaping that could impede the flow of runoff shall not be placed in drainage easements.
10. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and/or the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the listed species, if applicable.
11. Please be aware that any additional improvements may interfere with Abert's Squirrel, Black Bear, Elk, Mountain Lion, and Mule Deer habitat (species of concern to the State of Colorado) during and/or following construction. Information regarding wildlife protection measures should be provided to construction personnel and future residents, including fencing requirements, garbage containment, pets, enhancement/maintenance of natural vegetation, weed control and riparian/wetland protection/buffer zones as appropriate. Information can be obtained from the Colorado Division of Wildlife.
12. Mailboxes shall be installed in accordance with all El Paso County and United States Postal Service regulations.
13. All property within this subdivision is subject to Road Impact Fees in accordance with the El Paso County Road Impact Fee Program, at or prior to building permit issuance.
14. All property within this subdivision is subject to Reciprocal Access Agreement for the 50' Private Access Easement to be recorded in the records of the El Paso County, Colorado Clerk and Recorder's office by separate document.
15. Electric service is to be provided by MOUNTAIN VIEW ELECTRIC ASSOCIATION.
16. Gas service is to be provided by BLACK HILLS ENERGY and/or individual propane tanks.
