NOTES:

- The following reports and/or documentation have been submitted in association with the Preliminary Plan or Final Plat for this subdivision and are on file at the County Planning and Community Development Department, which includes, but not necessarily limited to: Letter of Intent (Deviation Request); Traffic Impact Study; Drainage Letter; Storm Water Management Plan; Detention Maintenance Agreement; Soils and Geology Report; Grading and Erosion Control Plan; PDB/BMP Operations and Maintenance Manual; Fire Protection Report; Water Resources Report; Wastewater Disposal Report; Wildfire Mitigation Plan; Construction Drawings.
- All structural foundations shall be located and designed by a Professional Engineer, currently registered in the State of Colorado.
- Individual lot purchasers are responsible for constructing driveways, including necessary drainage culverts from the Private Access Easement (Shared Driveway) per Land Development Code Section 6.3.3.C.2 and 6.3.3.C.3 where applicable. Due to their length, some of the driveways will need to be specifically approved by the Black Forest Fire Protection District.

No driveway shall be established unless an access permit has been granted by El Paso County. Driveway culverts within the indicated Serenity Ridge View private road (60' width) must be installed prior to building permit authorization for all lots within the subdivision.
- Each individual property owner is responsible for the construction and operation of a non-evaporative wastewater disposal system approved by the El Paso County Health Department. The Health Department may require a specially designed, or "engineered", system prior to permit approval. Engineered systems may cost more to design, install and maintain than systems which are not engineered.
- Each individual property owner is responsible for the maintenance of existing and/or construction and operation of a well as permitted by the Colorado Division of Water Resources.
- Fire protection to be provided by the BLACK FOREST FIRE PROTECTION DISTRICT.
- Public and/or Private Utility Easements are as shown hereon. All exterior subdivision boundaries shall have a twenty foot Public Utility and Drainage Easement. The sole responsibility for maintenance of these easements is hereby vested with the individual property owners.
- All property owners are responsible for maintaining proper storm water drainage in and through their property. Any public drainage easements as specifically noted on the plat shall be maintained by the individual lot owners unless otherwise indicated. Structures, fences, materials or landscaping that could impede the flow of runoff shall not be placed in drainage easements.
- Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and/or the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the listed species, if applicable.
- Please be aware that any additional improvements may interfere with Abert's Squirrel, Black Bear, Elk, Mountain Lion, and Mule Deer habitat (species of concern to the State of Colorado) during and/or following construction. Information regarding wildlife protection measures should be provided to construction personnel and future residents, including fencing requirements, garbage containment, pets, enhancement/maintenance of natural vegetation, weed control and riparian/wetland protection/buffer zones as appropriate. Information can be obtained from the Colorado Division of Wildlife.
- Mailboxes shall be installed in accordance with all El Paso County and United States Postal Service regulations.
- The addresses exhibited on this plat are for informational purposes only. They are not the legal description and are subject to change.
- The subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittal. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and in plat notes to ensure that a title search would find the fee obligation before sale of the property.
- All property within this subdivision is subject to Reciprocal Access Agreement for the Serenity Ridge View private road easement (60' r.o.w.) to be created by separate document.

The private road as shown on this plat will not be maintained by El Paso County until and unless the street is constructed in conformance with El Paso County standards in effect at the date of the request for deviation and maintenance.
- There shall be no direct lot access to Black Forest Road. There shall be no direct lot access to Old Ranch Road, except via Serenity Ridge View Private Road Easement (60' width).
- Electric service is to be provided by MOUNTAIN VIEW ELECTRIC ASSOCIATION.
- Gas service is to be provided by BLACK HILLS ENERGY and/or individual propane tanks.
- FEDERAL EMERGENCY MANAGEMENT AGENCY, Flood Insurance Rate Map Number 08041C0530 G, effective date December 7, 2018 indicates the area in the vicinity of this parcel of land to be a Zone X (area determined to be out of the 500 year flood plain).
