Dear Ms. Darden:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Keating Administrative Relief**

**Project Number: ADR 203**

**Description:** An Administrative Relief is being requested to replace and enlarge an outdoor deck at 1115 Tari Place. This new build will encroach on the setback for this lot by approximately 15%. This lot is south of Baptist Road and east of Tari Drive in Section 32, Township 11 South, Range 66 West.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning connection requirements, fees or upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA has no objection with this administrative relief with the understanding that MVEA has existing facilities near and within 1115 Tari Place. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

  
Cathy Hansen-Lee  
Engineering Administrative Assistant
