Prior Case No.: N/A
AT&T Project No.: COL02359 Widefield Water Tank Relo /13380989/LTE 3C, 4CFNET, 5C, 4TX4R

Dear Planning and Zoning/Building Division:

On behalf of New Cingular Wireless PCS, LLC (“AT&T”) we are pleased to submit this request to modify AT&T’s existing wireless communication site at the location referenced above, as an Eligible Facilities Request for a minor modification under Section 6409. A copy of the Federal Communication Commission’s new 6409 rule is enclosed for your information.

Scope of Work

AT&T proposes the following minor modifications to this site. (Please note: all work will be performed wholly within the existing premises and utility easements; this site is free of any concealment features; and the project otherwise complies with the site’s original conditions of approval.)

Tower

<u>Component</u>	<u>Federal Section 6409 Limits</u>	<u>AT&T’s Proposed Modification</u>
Increase height of tower	20 feet or less	0 increase in height
Antennas extending horizontally from edge of tower	20 feet or less	Antennas extend less than 20 feet horizontally from edge of tower but are not visible to the public within the stealth tower
Additional equipment cabinets	4 or fewer	0 additional equipment cabinets

FCC Shot Clock for Section 6409 Minor Modifications

Based on a filing date of February 9, 2019 the projected FCC deadline for a decision is April 10, 2019

Our goal is to work with you to obtain approval of this minor modification earlier than the deadline. We will respond promptly to any requests for information you may have for our application. Please let us know how we can work with you to expedite the approval process. We look forward to working with you on this important project, which will significantly improve wireless telecommunication services in your community without requiring an additional site. Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Valerie Cardenas
