Dear Ryan:

I have received your letter dated August 11 and have the following responses:

1. While I don't have the decision making authority to approve this request, I have discussed this with the Public Works Director and we are recommending approval to the Board of Trustees for this request.
2. Agreed – if we do not take responsibility for Hahn Road.
3. Agreed. We will coordinate with CDOT if needed.

Also, I have requested a new map from the developer showing 25.66 acres to be annexed. The intent is to annex the entire lot and we are getting the correct calculations on a plat map.

If you need anything further, please let me know.

Cordially,

Cindy M Tompkins, CMC
