Kari Parsons, Project Manager  
El Paso County Dev Services Department  
2880 International Circle  
Colorado Springs, CO 80910-6107

Dear Ms. Parsons:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Retreat at Timber Ridge**

**Project Number: PUD 173**

**Description:** It is proposed to develop a residential community and approval is being requested to change the current zoning from RR5 (Rural Residential) to PUD (Planned Unit Development) for approximately 293 acres. This development is designed to have residential lots, open spaces and tracts. This subdivision is to be located along Vollmer Road and south of Burgess Road in Section 22 and 27, Township 12S, Range 65W.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Due to the density of this development and developments in the vicinity, connection requirements will include provisions for construction of a new transmission line and a substation along with other system improvements, and payment of all fees under MVEA line extension policy.

MVEA requests a ten (10) foot front, side and rear lot line utility easement along with a twenty (20) foot exterior easement on plat. MVEA also requests platting of existing MVEA facilities with easement on the plat. If open space, drainage and landscape tracts are designed in this subdivision MVEA requests these areas be listed to include utilities. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA in order to serve this development.

MVEA may have existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant
