

January 7, 2019

Kari Parsons  
Project Manager  
El Paso County Dev Services Department  
2880 International Circle  
Colorado Springs, CO 80910-6107

Dear Ms. Parsons:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Palmer-Williams Creek Energy**

**Project Number: AASI 186**

**Description:** Approval is being requested for a wind/solar facility along with a substation connected to an existing transmission line to provide energy to Colorado Springs Utilities. This project is located east of Interstate 25 and south of the Town of Fountain.

This area is within MVEA certificated service area. MVEA will serve this area with start-up power and any additional power as needed. The necessary lines will be constructed according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements along with easements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

Mountain View will not proceed to relocate any facilities until after such coordination is complete and Mountain View has been paid those relocation costs that are properly owed under its published policies and Bylaws and Colorado law.

For additional information in reference to a construction time line and required procedures for service, please contact Dave Waldner, Engineering Manager with MVEA at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant

This Association is an equal opportunity provider and employer.
