Re: Temporary Water Service to Palmer - Williams Creek Solar Project

Dear Mr. Marion,

Colorado Springs Utilities has procedures in place for the provision of temporary use construction water. Colorado Springs Utilities will negotiate, in good faith, to provide such water through an applicable contract to supply the necessary water for construction of the Palmer Solar Project and Williams Creek Substation. Colorado Springs Utilities will make this water available in compliance with applicable laws, tariffs, and regulations.

Sincerely,

Warren S. Seese

Project Manager Senior Technical, Energy Acquisition Engineering and Planning
