Dear Mr. Sevigny:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: 7685 McLaughlin Road CMRS

Project Number: PPR 1815

Description: Approval is being requested for a Verizon Wireless telecommunications facility on the roof at 7685 McLaughlin Road. This proposal includes equipment to be located on the ground on the north side of the building that is to be screened. The legal location for this proposal is in Section 07, Township 13 South, Range 64 West in El Paso County.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning any additional connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA has no objections to the installation of a telecommunication facility at 7685 McLaughlin Road.

MVEA has existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
