Kylie,

Per our phone conversation, this is the follow up for the enumeration comment within the EDARP system by Beck Allen with PPRBD. I did speak with Becky before our call and she asked me to respond to EPC on her approval of the 8770 address, versus her recent comment in EDARP of using 8750. Somewhat confusing here but PPRBD has already approved enumeration of this project as 8770 and Becky sees that now. So address will be staying as the 8770 and as submitted to all departments.

Thanks,

Aaron,

We are not able to do a partial review of the project. Once all the documents have been uploaded and the payment has been made then we will be able to start our review.

Thank you,

**Kylie Bagley**
