RE: Intent to Continue Serving

To Whom It May Concern:

The purpose of this letter is to inform you that your property located at 8150 Rice Lane in Fountain Colorado will continue to be served by the City of Fountain Electric Department as it falls within the City of Fountain's certificated electric service area.

Please keep in mind that if you intend to build more structures on this site they may not be built within any easement areas and all costs associated with supplying power to new buildings would be the responsibility of the developer, along with any additional upgrades that would be necessary to serve your project.

We look forward to continuing serving your needs. If you have any questions or concerns regarding this matter please contact me at 322-2092.

Sincerely,

Carl Christian  
Superintendent
