RE: Re-Plat Chaparral Hills Lots 47 & 48 (440 & 490 Struthers Loop)

Rachel A Schaefer

N 9134 Newton Lake RD
Crivitz, WI 54114

1. This letter is being sent to you because Philip and Valerie Sexton are proposing a land use project in El Paso County at the referenced location shown (see item #3). This information is being provided to you prior to a submittal with the County. Please direct any questions on the proposal to the referenced contact in item #2.

2. For questions specific to this project please contact:

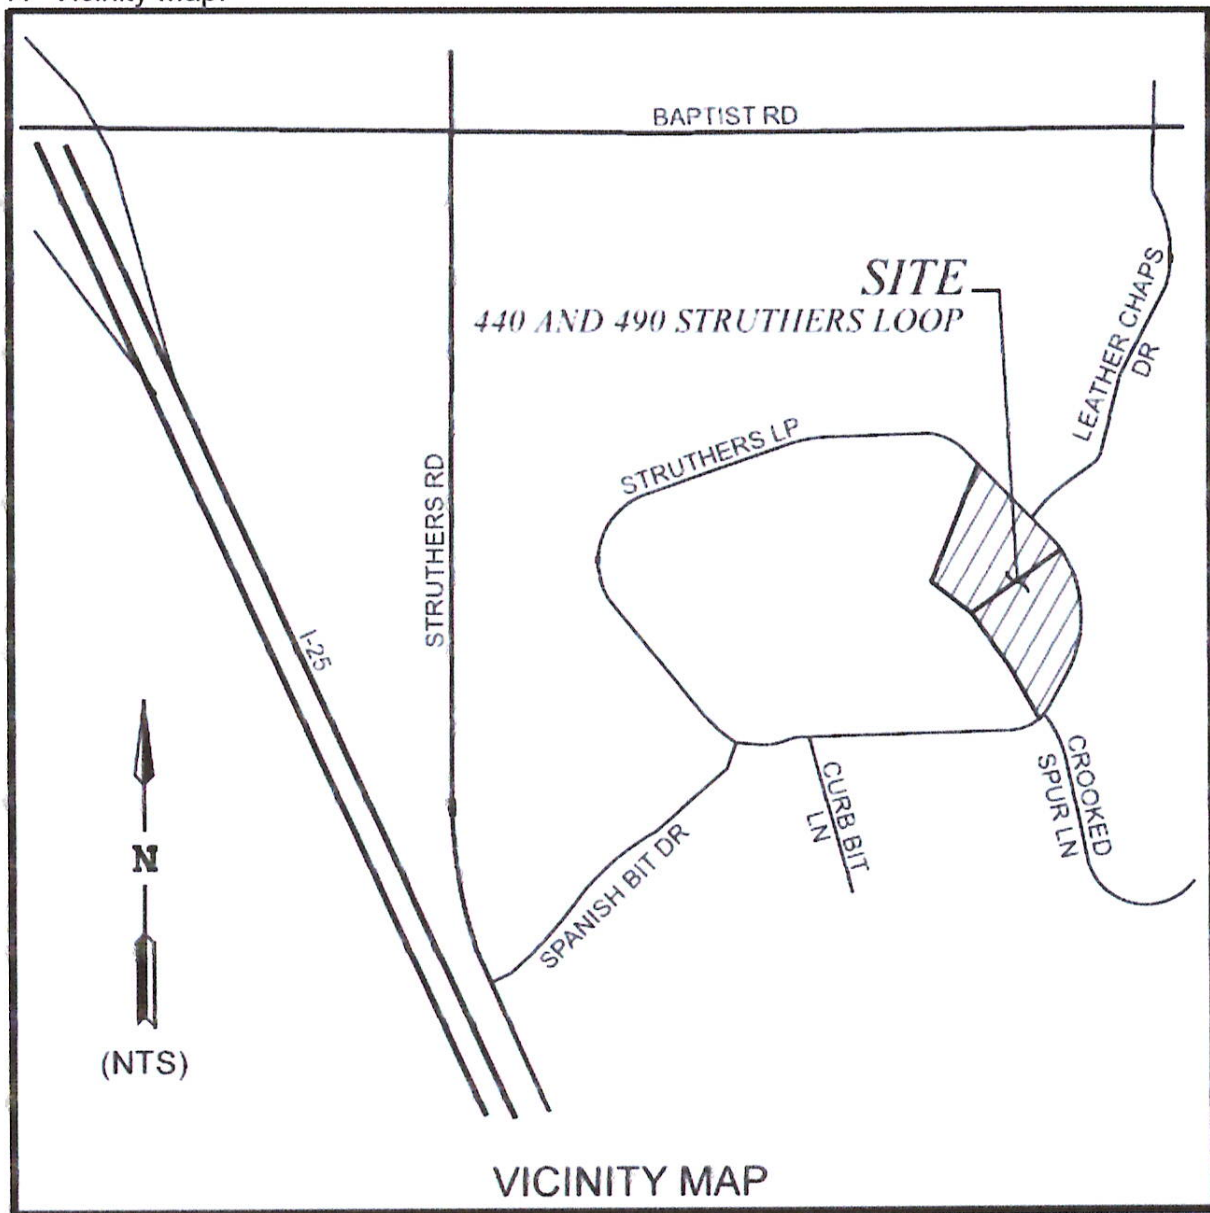

Phil Sexton
440 Struthers Loop
Colorado Springs, CO 80921-2408
719-488-0777

3. Site Address: 490 and 440 Struthers Loop, Colorado Springs, CO 80921

- a. 490 - Lot 47, 5 acres zoned RR-2.5: Residential Rural (2.5acres)
- b. 440 - Lot 48, 5 acres zoned RR-2.5: Residential Rural (2.5acres)

4. The request to El Paso County is to grant a replat of these two lots. The purpose of the replat is to add approximately 2 acres of land from Lot 47/490 Struthers Loop to Lot 48/440 Struthers loop. This simply amounts to the changing of the boundary line between both lots. When the replat has been completed Lot 47/490 Struthers Loop will become approximately 3 acres and Lot 48/440 Struthers Loop will become approximately 7 acres. As the zoning for this subdivision requires lots to be 2.5 acres or greater, the resulting replat will meet all zoning requirements.
5. All existing facilities, structures, roads, etc. will have no impact by the proposed boundary change. The property that is affected is empty field land.
6. There are no waivers required as this does not violate any zoning or CC&Rs within the Chaparral Hills subdivision.

7. Vicinity Map:

If you have any questions, please contact me at the phone number above.

Best Regards,

Phil Sexton
