WHEREAS, a public hearing was held by the El Paso County Board of County Commissioners on August 13, 2019; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the master plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, comments by the El Paso County Planning Commission Members, and comments by the Board of County Commissioners during the hearing, this Board finds as follows:

1. The application was properly submitted for consideration by the Planning Commission.
2. Proper posting, publication, and public notice were provided as required by law for the hearings before the Planning Commission and the Board of County Commissioners of El Paso County.
3. The hearings before the Planning Commission and the Board of County Commissioners were extensive and complete, all pertinent facts, matters and issues were submitted and reviewed, and all interested persons were heard at those hearings.
4. All exhibits were received into evidence.

5. That the vacation and replat complies with the El Paso County Land Development Code and the original conditions of approval associated with the recorded plat.
6. No nonconforming lots are created and, in the case of existing nonconforming lots, the degree of nonconformity is not increased.
7. That the vacation and replat conforms to the required findings for a minor or major subdivision, whichever is applicable.
8. That a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. §30-28-133(6)(1)] and the requirements of Chapter 8 of the Land Development Code.
9. Where the lots or parcels are subject to any Covenants, Conditions and Restrictions (CC&Rs) or other restrictions, the vacation and replat will not result in a conflict with the CC&Rs or other restrictions unless specifically approved by the Homeowners Association or controlling authority.
10. The vacation and replat is in general conformance with the goals, objectives, and policies of the Master Plan.
11. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations.
12. The proposed Replat of land conforms to the El Paso County Zoning Resolutions.
13. For the above-stated and other reasons, the proposed vacation and replat is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

NOW, THEREFORE, BE IT RESOLVED the Board of County Commissioners of El Paso County, Colorado, hereby approves the vacation and replat of Hunsinger Subdivision Final Plat Amendment;

BE IT FURTHER RESOLVED that the following conditions and waiver shall be placed upon this approval:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.

2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The Applicant shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivider(s) agrees on behalf of him/herself and any successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 18-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
8. Park fees in lieu of land dedication for regional parks (Area 2) in the amount of \$2,150.00 shall be paid at time of plat recordation.

9. Fees in lieu of school land dedication in the amount of \$612.00 shall be paid to El Paso County for the benefit of Academy School District No. 20 at time of plat recording.
10. Drainage fees in the amount of \$12,259.00 for the Kettle Creek drainage basin (FOMO3000) shall be paid to El Paso County at the time of plat recordation.
11. No direct lot access is permitted to Old Ranch Road.
12. The two existing ponds located on Lots 3 and 5 shall be filled in or breached prior to issuance of any new building permit.

NOTATION

1. Final plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.

WAIVER

The applicant is requesting a waiver from Section 8.4.3.C.2.e, Lot Design, Minimum Frontage, of the Land Development Code (2019). This section states that a division of land shall have a minimum of thirty (30) feet of frontage on and have access from a public road. Lot 2, as depicted on the vacation and replat, does not have frontage along a public road. Access is proposed via a thirty (30) foot wide private ingress and egress easement.

AND BE IT FURTHER RESOLVED that the record and recommendations of the El Paso County Planning Commission be adopted.
