You don't often get email from elizabeth.nosker@state.co.us. [Learn why this is important](#)

Hello,

I am reaching out to see if you had any questions about the remaining needed items for the application review.

Thank you,
Beth Nosker

Mr. Phillips,

Thank you for submitting your application for stormwater detention ponds A and B. Before we can begin our review of the structure, we need the following:

Grading Plans

SDI data

UTMs NAD 83 (the UTM's provided on the NOI are not accurate)

These are required of all NOIs for stormwater detention. Once we have received these documents we can begin our review.

Please let me know if you have any questions. I would be happy to help.

Hi Jared,

I am following up with you on the email I sent a couple weeks ago. I have these 2 NOI's on my pending list and I am reaching out to see if they will be resubmitted. We are unable to process without the owner signature on the forms. You can reply directly to this email with the signed forms. Please let me know, thank you!

Hi Jared,

We have received the NOI's for 2 detention ponds that you submitted for Scott Smith. The forms are missing the owner signature and date signed. Can you please re-submit the forms once you have collected the signatures? We can begin processing at that time.

Thank you!
