Good morning Mr. Weeks,

Academy School District 20 is in receipt of File# U242 and PPR2423 regarding approval The Haven School to be located in District 20. You have requested a response to these applications by July 15 and July 17, 2024.

A number of the administrative staff at District 20 are on vacation and they are unable to meet and prepare a response to the files referenced above. Because there are a number of questions regarding these applications, the District is requesting that the comment period be extended to August 6, 2024. If you are unable to extend the comment period, the District response is to oppose the requests in the files stated above and reserve the right to make further comments regarding these requests prior to their final approval.

Thanks for your consideration regarding the extension of the response period for the applications regarding the Have School.

Don Smith
