RE: WHMD West Water Tank  
NW1/4 Sec. 27, Twp. 12S, Rng. 65W, 6th P.M.  
Water Division 2, Water District 10  
CDWR Assigned Referral No. 26755

To Whom It May Concern:

This referral does not appear to qualify as a "subdivision" as defined in § 30-28-101(10)(a), C.R.S. Therefore, pursuant to the State Engineer's March 4, 2005 memorandum to county planning directors, this office will only perform a cursory review of the referral information and provide comments. The comments do not address the adequacy of the water supply plan for this project or the ability of the water supply plan to satisfy any County regulations or requirements. In addition, the comments provided herein cannot be used to guarantee a viable water supply plan or infrastructure, the issuance of a well permit, or physical availability of water.

Woodmen Hills Metropolitan District is requesting to construct water storage tanks at a site located on Arroya Lane, approximately 0.6 mile east of Vollmer Road in Colorado Springs. The site will be approximately 1.47 acres in size. A water transmission line owned by WHMD will provide water to the tanks as well as draw water from the tanks during periods of demand.

The Division of Water Resources has no objection to the application as submitted. Should you or the applicant have questions regarding any of the above, please feel free to contact me directly.

Sincerely,

Ivan Franco, P.E.  
Water Resource Engineer

cc: Bill Tyner, Division 2 Engineer  
Doug Hollister, District 10 Water Commissioner
