**Please accept the following comment from El Paso County Public Health for variance request referenced above:**

- **The closest onsite wastewater treatment system (OWTS), soil treatment area (STA) to the proposed RV storage area must be located and protected from all vehicular traffic both during and after all site work associated with the site work.**
- **Earthmoving activity in excess of one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.**
